Department of the Army  
Office of the Chief of Engineers  
Chief, Construction Operations Division  
Military Construction  
Washington, D. C.

Attention: Colonel Robertson

Dear Colonel Robertson:

Reference is made to recent discussions between you and [redacted] of this office, relative to the assignment of [redacted] to act as Construction Engineer in the establishment of a new Project.

It is understood and agreed that [redacted] will be retained on the payroll of the Corps of Engineers and assigned to the New York District Engineer's Office. Further, it is understood and agreed that this Agency will reimburse the Corps of Engineers for [redacted] salary, station allowance and transportation.

Mr. Millard of your office has stated that the estimated reimbursement cost for [redacted] services will be \$19,000.00 for approximately one year and a half. It is understood that funds now in the hands of the Corps of Engineers will be made available to the North Atlantic Division, New York.

Additional funds for this project will be transferred to the Corps of Engineers at the earliest practicable date.

Very truly yours,

HJP [redacted] bks (27 May 1949)
